Dr. J. Suresh, Principal.

23<sup>rd</sup> February 2019

Honorable Justice G.R.Swaminathan, Respected President, Vice-President, Secretary, Joint Secretary, Treasurer, Directors, Members of the MCB, Vice-Principal, Director(SF), Deputy COE, faculty, administrative and support staff, retired faculty, parents, alumnae and my dear students, it pleases me immensely to present the Annual Report on the activities of this esteemed institution during the Academic Year 2018-2019.

I begin the annual report by felicitating Dr. Rajamani of the Dept of Chemistry who retires this year. The College remembers the services rendered by him. With the same affinity we would like to register our sincere thanks to the retiring staff from the non-teaching fraternity Mr. Alagarsamy and Mr. Balu, who have put in valuable service to this institution.

May the almighty bless all the three a peaceful, happy and healthy retired life!

Academics & related activities:

Around 500 students have been admitted and 427 graduates are outgoing this year. The college has a total strength of 1339 in the aided stream.

The Pass percentages in various courses are more than 80% with M.A. (English Litt) 97%, M.A.,(Economics) and B.Sc.,(Comp. Sci) 92% each. Systematic teaching, regularized continuous internal assessment(CIA) and necessary remedial teaching have enabled the institution to achieve good results.

*New initiatives:*

In order to monitor the attendance of students and to achieve flawless registering of attendance, the college has introduced, digitalized attendance system this year. Office of COE has also been digitalized to enable faculty to feed the CIA marks online and processing the results quicker.

Scientific student-feedback on the performance of faculty has gone online. Thanks to Mr. S.J. Sivaprakash, Mr. R. Arunkumar, Ms. R. Saranya & Ms. S. Archana- students of II M.Sc., (Phy) were given this assignment under “Earn While Learn” scheme. As a result of this, faculty self-introspect and improve their methods of teaching.

The college has submitted its academic records for NIRF ranking this year and results are awaited.

With an aim of scoring better grade in the forthcoming cycle of NAAC assessment, the NAAC committee and IQAC cell are restructured. Er. J. Rajendran and Dr. A. Xavier are nominated as administrative co-ordinators for NAAC committee and IQAC cell

respectively. To these cells Prof. S. Sivaramakrishnan and Dr. I. Shahulhamid are appointed as Executive co-ordinators. With their leadership the college has now achieved more formalized reporting to various statutory agencies. At this juncture, the entire faculties thank the management for their support in the establishment of a separate NAAC office with adequate facilities

Three new play grounds E, F and W (exclusive for women) are built this year.
