Home isolation of very mild/pre-symptomatic cases

However, recent guidelines have been issued by MOHFW for **home isolation of very mild/pre-symptomatic COVID-19 cases**, provided the patient has requisite facility at his/her residence for self-isolation.

Eligibility criteria for home isolation:

- i. Should be clinically assigned as a **very mild case/ pre-symptomatic** case by the treating doctor.
- ii. Should have the **requisite facility at their residence** for self-isolation and also for quarantining the family contacts.
- iii. A **care giver should be available to provide care** on 24x7 basis. A **communication link** between the caregiver and hospital is a prerequisite for the entire duration of home isolation.
- iv. The patient shall agree to **monitor his health and regularly inform his health status** to the District Surveillance Officer for further follow up by the surveillance teams.
- v. The patient **will fill in an undertaking** on self-isolation and shall follow home quarantine guidelines. Such individual shall be eligible for home isolation.
